MEMORANDUM FOR: Director of Personnel

SUBJECT : Nomination for Senior School

1. As you know, candidates for the various senior schools are currently being reviewed. I should like to suggest that [redacted] be considered by you as a Support Directorate candidate for the Industrial College of the Armed Forces. I believe he would make a top-flight Agency candidate and would benefit from attendance at this school.

2. As I mentioned to you in an earlier telephone conversation, I am much impressed with Ernie and believe he has excellent potential for senior managerial positions in the Agency. Losing him will create a large void in the NPIC support structure. However, we realize that for his own benefit he must get on with more broadening experiences. A tour at the Industrial College of the Armed Forces would, in my opinion, be most beneficial and I commend him to you for your consideration.
